ABOUT ME

Passionate and results-driven Computer Science graduate with a strong foundation in front-end and full-stack development. With hands-on experience in three professional roles, I have honed my skills in HTML, CSS, JavaScript, React.js, and WordPress development. I thrive in dynamic environments where I can apply my technical expertise to create innovative, user-friendly digital solutions. Dedicated to continuous learning and problem-solving, I aim to contribute to a forward-thinking company where I can grow and make an impact.

WORK EXPERIENCE

Call Center | 2021-2023

Google My Business & SEO Campaigns

- Provided expert guidance on SEO strategies, including keyword research, on-page optimization, and local SEO.
